

א (Aleph/Tau) with other Hebrew Letters

In this study we are going to examine different Hebrew letters used with the א (Aleph/Tau) to see what they reveal. Substantiating the beliefs that the א (Aleph/Tau) is a Covenant Mark (Sign) of our Alahym, and seeing אהשׁא (Yahusha) as א.

Let's begin with the first (1st) letter of the Aleph-bet, the א (Aleph) as a suffix. The אא (Aleph/Tau/Aleph) Word does not appear in Paleo-Hebrew but does appear in Aramaic in the book of Ezra twice and speaks very profoundly. The Aramaic אאא (Aleph/Tau/Aleph) Word in Ezra is translated "Came" in (Ezra 5:3) and is speaking about governor Tatnai who "Came" and was responsible for writing a letter to the king of Babylon who ultimately issued a decree to help the men in Yasharal (Israel) to rebuild the walls of Yarusalym (Jerusalem) and the temple by funding the rebuild, providing equipment, supplies and the men to help.

The second (2nd) time the word is used is again translated "Came" in verse (5:16) speaking of governor Sheshbazzar who "Came" and laid the foundation for the temple. The Aramaic word "Came" is spelled Bet/Aleph (אב). So, obviously Ezra is implying these men "Came" by the divine hand of provision for without them the work would have never been completed. This becomes even more insightful when we understand the letter א (Aleph) means: Leader, Strength".

There are no אאא (Aleph/Tau/Bet) words, no אאא (Aleph/Tau/Gimel) words, and no אאא (Aleph/Tau/Daleth) words. The next Hebrew letter suffix is the אאא (Aleph/Tau/Hey) Word, translated 536 times in the Tanakh as the pronoun "You", and 110 times as the pronoun "Her". The English pronoun "You" is used 1372 times in the Tanakh and the English pronoun "Her" is used 1690 times. What is interesting to notice is how many pronouns have incorporated the א (Aleph/Tau). I do not believe this to be coincidental, but completely logical since man is created in the image of Alahym, and consequently, in the image of the א (Aleph/Tau). Therefore, it should not surprise us that Mushah (Moses) and the Prophets spelled pronouns incorporating the א (Aleph/Tau) and this relevance should not be overlooked.

An example of the אאא (Aleph/Tau/Hey) word first (1st) used in **Genesis 3:11** The Hebrew letter א (Hey) means to "Reveal" or "Behold". And Alahym said, who told you that אאא (you) were naked? The word implies that Adam is a product of our Alahym, א אהשׁא (Yahuah & אהשׁא (Yahusha), and created in their image. This Hebrew word is also used to describe Alahym dozens of times as in **Genesis 3:12**. The Hebrew word אאא (Aleph/Tau/Kaph/ Mem) is translated as "You" 297 times and "with You" 48 times.

The אאא (Aleph/Tau/Kaph/Uau(Vav) Word. It is translated into the pronoun "Him" 439 times and "with Him" 154 times. The pronoun "Him" appears 4200 times throughout the Tanakh. Again, this becomes even more special when you learn the word "Him" is commonly spelled א (Lamed/Uau(Vav) in Hebrew over one thousand (1000) times in the Tanakh.

The sixth (6th) letter of the Aleph-bet is the א (Uau/Vav) means to "Bridge" or "Connect" and is also a letter which represents "Man". A good example of the אאא (Aleph/Tau/Kaph/Uau (Vav) word is first (1st) used in **Genesis 1:27** Alahym created א Adam (Man) in His own image, in the image of Alahym he created אאא (Him), Male and Female he created אאא (Them). This word is also used to describe Alahym dozens of times as in **Genesis 15:10** but the deeper meaning of this word, could also be implying, by the use of the Uau (Vav), that "Man" is "Connected" to his maker, Alahym.

There is something very interesting regarding the **יְטוֹ** (Aleph/Tau/Vav) Word. **Genesis 2:3** states; And Baruk (Blessed) Alahym **יְטוֹ** Day seven (7) and sanctified **יְטוֹ** (Aleph/Tau/ Uau(Vav) (it). The last word translated as “it” is the **יְטוֹ** (Aleph/Tau/Uau(Vav) Word, generally translated as **Him** over 400 times in the Tanakh. The Interlinear Scriptural Analyzer interprets the word as “**Him**” in **Genesis 2:3**. The only logical conclusion of what Mushah (Moses) was trying to say is that Adam, who was created on the 6th day, was actually sanctified and set apart, at this time, as with all creation through Covenant on the 7th Day Sabbath. **Exodus 31:16** states that the 7th Day Sabbath is actually an everlasting Covenant and all those who Guard (Keep) the Sabbath properly will be Baruk (Blessed).

The only logical reason the **יְטוֹ** (Aleph/Tau) Symbol is used in these pronouns when describing Covenant Males or Females (**People**) is because mankind was created in the image of Alahym and consequently, the **יְטוֹ** (Aleph/Tau) Symbol can also be seen in humanity.

There are no **יְטזוֹ** (Aleph/Tau/Zayin) words, no **יְטוֹהוֹ** (Aleph/Tau/Heth) words, and no **יְטוֹתוֹ** (Aleph/Tau/Teth) words.

The **יְטוֹדוֹ** (Aleph/Tau/Yod) Word, appears as the pronoun “**Me**” 81 times and “**with Me**” 53 times. The pronoun “**Me**” is used a total of 3252 times throughout the Tanakh and is generally spelled **יְטוֹדוֹ** (Lamed/Yod) over 700 times and **יְטוֹדוֹ** (Aleph/Uau(Vav)/Tau/Yod) is also translated as “**Me**” 36 times.

The first (1st) time the **יְטוֹדוֹ** (Aleph/Tau/Yod) word is used is in **Genesis 4:14** You are banning **יְטוֹדוֹ** (Aleph/Tau/Yod) (**Me**) today from the land and your presence and I will be a fugitive wandering the earth; and everyone that finds me will want to kill me. This word is describing Cain after he murdered his brother Abel. This Hebrew word is also used to describe Alahym hundreds of times as in **Genesis 6:13**. The Hebrew letter **דוֹ** (Yod) means “Hand”, “Work”, or “Create”. The Hebrew word “Me” is generally spelled **יְטוֹדוֹ** (Lamed/Yod) 751 times in the Tanakh.

The next single Hebrew letter used as a suffix with the **יְטוֹ** (Aleph/Tau) is the **יְטוֹכוֹ** (Aleph/ Tau/Kaph) Word, which is again translated into the pronoun “**You**” 49 times and “**with You**” 80 times throughout the Tanakh in some very interesting places.

As we can see there is more to the meanings of these Hebrew words than what the translators can provide in English. The fact is, Hebrew is much deeper than the English language can translate. As mentioned above the Hebrew word **יְטוֹכמוֹ** (Aleph/Tau/Kaph/Mem) is also translated “**You**” 297 times and “**with You**” 48 times. **יְטוֹכוֹ** (Aleph/Tau/Kaph) is translated “**You**” 49 times, “**with You**” 80 times, and **יְטוֹכוֹ** (Aleph/Vav/Tau/Kaph) is translated “**You**” 29 times “**with You**” 12 times. **יְטוֹהוֹ** (Hey/Aleph/Tau/Hey) is translated “**You**” 10 times and **יְטוֹהוֹ** (Aleph/ Tau/Hey) is translated “**You**” 536 times.

יְטוֹכוֹ (Aleph/Tau/Kaph) word used it is translated “**with You**” twice in the same verse. In the same verse we see the **יְטוֹהוֹ** (Aleph/Tau/Hey) word also translated “**You**” in **Genesis 6:18** But I will establish **יְטוֹ** My Covenant **יְטוֹכוֹ** (Aleph/Tau/Kaph) (**with You**); **יְטוֹכוֹ** (Uau(Vav)/Bet/ Aleph/Tau) (**and you will enter**) into the Ark, **יְטוֹהוֹ** (Aleph/Tau/Hey) (**You**) and your Sons and your Wife and your Son’s Wives **יְטוֹכוֹ** (Aleph/Tau/Kaph) (with you).

Seeing the predominance of the **יְטוֹ** (Aleph/Tau) both as a free standing “Mark or Sign” but also when incorporated into Hebrew words is amazing to witness, when you begin to realize the depth that is incorporated into the various meanings of words in the Hebrew language when associated with the **יְטוֹ** (Aleph/Tau). When we understand that the Hebrew letter **כוֹ** (Kaph) means “Open hand” it seems to indicate the willingness of

Alahym to establish the Covenant. That is the beauty of the Hebrew language that is missed in the English translation.

There is no אָ (Aleph/Tau/Lamed) word. The next Hebrew letter used with the אָ (Aleph/Tau) is the אָמָּ (Aleph/Tau/Mem) Word, which is translated into English as “**Them**” 282 times, and again as “**You**” 213 times, and “**with Them**” 39 times. Another Hebrew word translated “**Them**” is the אָוָּ (Aleph/Vav/Tau/Mem) 173 times and this same Hebrew word is also translated “**with Them**” 12 times throughout the Tanakh.

The אָמָּ (Aleph/Tau/Mem) word was used is in regard to Adam and Eve in **Genesis 1:22** And Alahym Baruk (Blessed) אָמָּ (Aleph/Tau/Mem) (**Them**) saying, Be fruitful and multiply..... 27 Male and Female He created אָמָּ (Aleph/Tau/Mem) (**Them**). Hebrew is the language of Alahym, which is believed to have spoken all creation into existence and consequently, it is a Qadosh (Set apart) language to Alahym. Therefore, because the אָ (Aleph/Tau) represents the entire 22 letter Aleph-bet and all of creation, it is only logical to assume this is the reason the אָ (Aleph/Tau) is incorporated into pronouns when describing Covenant people.

Notice at the end of the verse in **Genesis 1:27** the אָמָּ (Aleph/Tau/Mem) word is translated as “**Them**” to describe both Male and Female together. The Hebrew letter מָּ (Mem) means, “Water, Blood and even Chaos.” Could Mushah (Moses) have used this letter in association with the אָ (Aleph/Tau) Symbol to describe how we are created in the image of Alahym, from the Water of Life as אָוָּ (Yahuah) breathes His Ruch (spirit) of life into every living soul?

The אָנָּ (Aleph/Tau/Nun) Word, which is translated as the phrase “**I will Give**” 78 times throughout the Tanakh. It is interesting to note that this word is used when speaking or inquiring about an oath or promise, whether it is regarding Man or Alahym. Such as in **Genesis 26:3** Live in אָנָּ (Hey/Zayin/Aleph/Tau) (**This**) land and I will be with you and will Barak (Bless) you; אָנָּ (Aleph/Tau/Nun) (**I will Give**) to you and to your seed אָנָּ all these countries and I will perform אָנָּ the oath which I swore to Abraham your father.

The Hebrew letter נָּ (Nun) means to Give or Impart “Life”. Do you see how beautiful this word is in regard to the אָ (Aleph/Tau) being associated with the letter נָּ (Nun) in regard to making or giving an oath or promise which is actually creating a Covenant. What better way to express this than to incorporate the אָ (Aleph/Tau) who is the Giver of all Life!

There are no אָסָּ (Aleph/Tau/Samekh) words, no אָאָּ (Aleph/Tau/Ayin) words, and no אָפָּ (Aleph/Tau/Pey) words.

אָצָּ (Aleph/Tau/Tzad) Word, is only used One (1) time and is translated as “**I will break down**” as in the Vow made by Gideon to the men of Peniel in **Judges 8:9** And he spoke also to the men of Peniel, saying, When I come again in well-being, אָצָּ (Aleph/Tau/Tzad) **I will break down** אָצָּ this tower. As we see the אָ (Aleph/Tau) is incorporated into a vow or promise made by either Man or Alahym.

The Hebrew letter אָ (tzad) was shaped like a fish-hook, אָ in Paleo-Hebrew and means to “Snare”, “Hunt” or “Capture”. Knowing the original meaning of these Hebrew letter gives us more depth into what Gideon was saying and what he vowed to do to the men of Peniel.

There are no אָרָּ (Aleph/Tau/Qoph) words, the next Hebrew letter we see as a suffix is the אָרָּ (Aleph/Tau/Resh) Word, which is only used twice with these three (3) letters spelling and is translated “**Place**”, and where it is used is amazing! The English word “**Place**” in Hebrew is actually spelled אָרָּ (Mem/Qoph/Uau(Vav)/Mem) in Hebrew and is used 84 times throughout the Tanakh. You’ll get to see just how

special the אָתֵּ (Aleph/Tau/Resh) word is when you see what “**Place**” it is describing. The English word “**Place**”, hardly describes the relevance and importance that can only be seen in the Hebrew language!

The Hebrew letter אָ (Resh) in Paleo-Hebrew can mean “Head” or “First (1st)”, so we see this word used in the opening sentence of a decree made by King Cyrus of Babylon in **Ezra 6:3** In the first (1st) year of Cyrus the king, Cyrus the king made a decree: Concerning the House of Aluah at Yarusalym (Jerusalem), let the house be rebuilt, in the אָתֵּ (Aleph/Tau/Resh) (**Place**) where they Offer Sacrifices and let the foundations there be strongly laid. We see a beautiful word picture in the אָתֵּ (Aleph/Tau/Resh) word describing the only **Place** on Earth designated for sacrifices, where Alahym has turned His face towards and placed His Name...the most Qadosh (Set apart) **Place** on Earth, the Temple Mount!

The second (2nd) time the אָתֵּ (Aleph/Tau/Resh) word is used is in Daniel, as he is giving the interpretation to the king’s dream and the final destruction of the ten (10) nations, when Ha Mashiach returns represented by the ten (10) toes made of clay and iron in **Daniel 2:35**. Then was the iron, the clay, the brass, the silver and the gold, broken in pieces together and became like the chaff of the summer threshing-floors; and the wind carried them away, so that no אָתֵּ (Aleph/Tau/Resh) (**Place**) was found for them: and the stone that defeated the image became a great mountain (people) and filled the whole earth.

There is no אָתֵּשׁ (Aleph/Tau/Resh/Shin), the next and final letter in the Aleph-bet is the אָתֵּ (Aleph/Tau/Tau) Word, which is only used One (1) time and is translated in English as “**Signs**” in **Nehemiah 9:10** And show אָתֵּשׁ (Aleph/Tau/Resh/Shin) (**Signs**) and Wonders upon Pharaoh and on all his servants and on all the people of his land.

This is a strange translation, but the Hebrew letter Tau (ת) means “Covenant” or “Mark” and also, being the final letter, it also means “**Judgment**”. Could Nehemiah have been more accurately implying that the plaques upon Mitsrym (Egypt) were extraordinary judgments by Alahym? Again, we see a beautiful word picture by incorporating the אָתֵּ (Aleph/Tau) with the final letter ת (Tau).

If Nehemiah had wanted to spell the word “**Sign**” in Hebrew, it is actually spelled seventeen (17) times as תָּאֵתֵּ (Aleph/Uau(Vav)/Tau) or תָּאֵתֵּ (Hey/Aleph/Tau) as written Three (3) times.

Out of the Twenty-Two (22) Hebrew Aleph-bet letters, there are eight (8) words that form the base to build other Hebrew words, by adding other Hebrew letters both before and at the end of the אָ (Aleph) ת (Tau).

The 𐤅𐤅 (Aleph/Tau) is used to create words that are the backbone to pronouns and phrases in the Tanakh when speaking of either Alahym or Man. It is important to become familiar with the original Paleo-Hebrew (Pictograph) meaning of each letter used as suffixes at the end of the 𐤅𐤅 (Aleph/Tau) Symbol, in order to grasp a more profound and deeper understanding of what the author was trying to express.

These 10 words with Hebrew letter prefixes and suffixes (above) represent pronouns and phrases, but there are thousands of words that incorporate the **אָט** (Aleph/Tau) with 2 or more additional letters. The reason words like these are so important is because they reveal the divine protocol of Alahym and His relationship with Man. The **אָט** (Aleph/Tau) can symbolize Alahym and all that is created, and its usage in the Hebrew text proves the **אָט** (Aleph/Tau) is connected to both Alahym and Man and for this reason is incorporated into Hebrew words and phrases because they are either pronouns or descriptive adjectives or adverbs.
