

## "My people shall know My Name"

The Name of יהוה (pronounced Yah-oo-ah) was once very greatly revered and acknowledged, so much so that many were named after His Name as a way to show honor and respect.

Over the years attempts were made to hide the Name of יהוה (Yahuah), the practice of speaking out his Name was almost entirely lost as Jewish and Christian religious traditions disregarded speaking the Name of Yahuah.

The prophets of יהוה (Yahuah) foretold that would happen, they also foretold that His Name would not always be treated with disregard. Today there is a growing revelation about the restoration of the Covenant Name of Yahuah.

Below are Hebrew Names beginning or ending with Yah or Yahu, a short abbreviated form of the personal Name of the Creator יהוה (Yahuah), in English these names end with "iah" or "jah" and YAH in Hebrew!

Ancient names not only ended with "yahu", but also began with "Yahu"; this was determined by comparing other languages like Arabic and Cuneiform.

The New Brown-Driver-Briggs-Gesenius Hebrew English Lexicon. In Arabic, Jehu was pronounced "Yahu". See Hastings Dictionary of the Bible. All this evidence and more, suggest that "Yahu" was used at the beginning of names, instead of the more modern Jewish "Yeho" cover up of the set-apart name. Therefore, the 27 following names are restored to their original pronunciation.
